

Labelstack Terms of Service

This Agreement governs the use of the **Labestack** platform ("the Platform"). By uploading content or collaborating on the Platform, you agree to these terms.

1. Ownership of User Generated Content (UGC)

We believe creators should own their work.

- **Authorship:** You retain full ownership and intellectual property rights to any text, images, files, and data you upload ("UGC"). Labelstack claims no ownership or authorship over your creations.
- **Limited License:** By using the Platform, you grant us a worldwide, non-exclusive, royalty-free license to host, store, and display your content **only** as necessary to provide the service (This is needed to show your work to the collaborators you have invited to your projects).

2. The "No AI Training" Guarantee

Your creative data is not our training data.

- **Non-Usage Policy:** Labelstack will not use your audio files or images you upload to train, fine-tune, or develop generative artificial intelligence (AI) models, machine learning algorithms, or similar technologies.
- **Human-to-Human Focus:** Our infrastructure is designed for collaboration, not data harvesting. Your artistic and intellectual output remains yours and will not be ingested into any automated creative engine.

3. Risks and User Responsibilities

Hosting and sharing content involves inherent risks. By using the Platform, you acknowledge:

- **Security of Shared Spaces:** While we provide tools to limit access to "selected parties," you are responsible for the conduct of the people you invite. Labelstack is not liable for how your invited collaborators use, download, or distribute your UGC.
- **Content Accuracy:** We do not pre-screen or validate UGC. You represent that you have all necessary rights to upload the content and that it does not violate any third-party copyrights.
- **Data Loss:** While we perform regular backups, the Platform is not a permanent storage or archiving service. You are responsible for maintaining independent backups of your work.

4. Indemnification & Limitation of Liability

- **User Indemnity:** You agree to indemnify and hold Labelstack harmless from any claims, damages, or legal fees arising from your breach of these terms or any content you upload that violates the rights of another party.
- **"As-Is" Service:** The Platform is provided "as-is." We do not guarantee that the service will be uninterrupted or error-free. To the maximum extent permitted by law, Labelstack is not liable for indirect, incidental, or consequential damages.

5. Acceptable Use

To maintain a safe environment, you agree not to:

- Upload malicious code, viruses, or "malware."
- Use the platform for illegal activities or to harass other users.
- Attempt to reverse-engineer the Platform's infrastructure.

6. Termination

We reserve the right to suspend or terminate access to the Platform if these terms are violated. Upon termination, your license to us ceases, though archived copies may persist in our system backups for a limited period as required by technical safety protocols.
